

Consider it done:

Resident Services at Ensō Verde

In the design of Ensō Verde, the principle of “meeting people where they are” is not simply a figure of speech. To ensure that residents’ time, resources and energy can be spent on the activities that give them joy and fulfillment, the following services will be provided under the terms of their agreement to every resident of Ensō Verde.

Included Services

These services are covered under the Monthly Fee:

- Flexible Dining Program
- Residence, building and grounds maintenance
- Utilities — heating, air conditioning, water, electricity, cable television, Wi-Fi and internet access
- Housekeeping
- Linen service
- Transportation
- Concierge services
- Community amenities
- Comprehensive wellness programs
- Recreational, social, spiritual and educational programs and excursions
- Fitness center
- Additional storage

Additional Services

These services are available at an additional cost upon request:

- Spa services
- Room Service
- Guest Dining
- Additional housekeeping and maintenance services
- Private car service
